Central Region Youth Ministries Summer Camp theme this year was “Branded.” It was about being branded by God. Camp offers our students an excellent opportunity to meet with God, to meet new Christian friends, and to have tons of fun in the process! Thirty-eight kids from our church attended camp this summer.

## Testimony of Blessing

Hope Scott had several things on her mind that she wanted to see happen in her life. She laid them before

the Lord and asked Him for each of them. In September of 2008, she felt led to begin fasting lunch and sweets until God answered her prayers. She knew the answer would be “yes”, “no”, or “wait.”

It seemed the answer was “wait” for several months. In the beginning of 2009, things started to happen. She had two legal issues that needed to be resolved, and she was asking the Lord for them to work out “hassle-free.” He saw her through both.

The last thing she wanted was a house for herself and her two daughters, Marina and Exie. On June 24, she signed the papers and became a home-owner for the very first time in her life. To celebrate this wonderful blessing, she threw a big party at her new house with over a hundred of her friends.

Out of gratitude in her heart for the way God worked in her life, she continued to fast lunch and sweets until August 24, exactly two months after her last request was given to her.
