

# There is Something About That Name

$\text{♩} = 100$

E                     $\text{G}^{\sharp}\text{m}^7$                      $\text{Bm}^7$                     E                     $\text{E}^+$                     A  
 Je-sus,            Je-sus,            Je-sus,            sus,            there is            something a-

D                     $\text{Emaj}^7$                     E                     $\text{G}^{\sharp}\text{m}^7$   
 bout            that name.            Mas- ter,            Sav- ior,

$\text{Bm}^7$                      $\text{C}^{\sharp}7$                      $\text{F}^{\sharp}9$                      $\text{F}^{\sharp}\text{m}^7$   
 Je-sus,            like the            fragrance            af- ter            the            rain.

B                    E                     $\text{G}^{\sharp}\text{m}^7$                      $\text{Bm}^7$                      $\text{E}^7$                      $\text{E}^+$   
 Je-sus,            Je-sus,            Je-sus,            sus,            let all

A                     $\text{F}^{\sharp}\text{m}$                      $\text{G}^{\sharp}\text{sus}^4$                      $\text{G}^{\sharp}7$                      $\text{C}^{\sharp}$   
 hea- ven            and            earth            pro- claim.            Kings            and

$\text{C}^{\sharp}7$                      $\text{F}^{\sharp}9$                     E  
 king- doms            shall            all            pass a- way,            but there's

$\text{F}^{\sharp}\text{m}^7$                      $\text{G}^{\sharp}\text{B}$                     E  
 some- thing            a- bout            that            name.
